

Clearwater Recreation Commission

Coaches Meeting

October 14, 2020

1. Contact information
 - Website --- www.clearwaterrec.org
 - Email --- director@clearwaterrec.org
 - Phone --- 620-584-2323
2. League for 1st-6th grades (1st/2nd grades play in Clearwater while 3rd-6th travel to Haysville & Mulvane)
3. Practices
 - Call or e-mail Recreation Office to schedule or cancel a practice.
 - USD #264 gets first priority for courts --- only allowed on when they are finished.
 - Practice your allotted time, vacate court if next team is present for their scheduled practice time. If no one shows up, you can continue practicing until next team arrives for their scheduled practice.
 - Court priority
 - Middle School: 1st-4th grades (four goals = four teams on each ¼ of court)
 - CIC: 5th-6th grades (two goals = two teams get half of court)
4. Basketball gyms
 - **All participants must remain in the gym, use bathrooms located in locker rooms.**
 - Sweep gym floor after each practice and raise goals back up to 10 ft.
 - Return hook to raise/lower goals to southeast corner of gym.
 - Do not leave any child unattended - school personnel are not responsible for them.
 - You are responsible for who is in the gym during your allotted practice time - only allow those on your team in the door.
 - Follow the health and safety guidelines set forth by USD 264.
 - Gym usage is a privilege, we must keep facilities clean and follow the rules accordingly or else they will be taken away.
5. Equipment
 - Once basketballs are checked out, you are responsible for them.
 - When your season is complete, you can check in basketballs at any time.
6. Basketball season
 - If USD 264 suspends in person classes and goes to remote learning, there will be no practices or games by the Rec Commission in their facilities until they reopen. If that situation arises, an announcement will be sent directly to coaches to relay to the parents. Our season will continue as long as USD 264 is in session and amendments to schedules will be made if it becomes necessary.
 - Guidelines for health and safety in facilities at Mulvane and Haysville will be sent to coaches before the first game but currently they are the same as USD 264.
